<<<<<Foreword>>>>>

Dear All,

In the year 2019 -2020, Child voice carried out various activities in the field. We are working in 30 village covered by nilakottai block in dindigul district with the support of freedom fund UK. In order to empowering the community to protect girls at risk ,we run community resources centers, conduct village level child protection committee ,interface meetings, organizing events for important days, rescuing and rehabilitating the children at risk, providing counselling services to needy people especially for affected children ,adolescent group and their families ,assisting community people to get legal support and benefits from the governments etc...

In the month of March 2020, the entire world was collapsed with COVID-19 hit and lockdown was announced in tamilnadu. It affected our programme activities in our working villages and it created a massive damage in the lives of our beneficiaries in our target areas. In that difficult situations, with the support of local sponsors we were able to provide supplementary nutrition to children and adolescent group members as well as kabasura kudineer, arsenic album tablets to community people for increasing their immune systems to fight against Corona Virus. We were able to complete the building of child friendly toilet along with incinerator in government kallar higher secondary school in anaipatty and wall painting was done in government girls higher secondary school in dindigul with the support of wind trust Chennai through thalapakatty CSR project.

Everything was possible with the support of our donors Freedom Fund UK, Katradi NGO and tireless works of ours staff members. I take this opportunity to thank you all for their generous contribution and kind support. I sincerely thank our organization board members, MLA, government officials, district legal service authority, block legal service authority panchayat leaders, panchayat ward members, clerks, governments departments like police, taluk office, village administrative office, members of community level groups for their continuous support in the smooth implementation of the programme activities.
