

Sri Priyadarshini Vidyasamsthe ®

HALIYURU, CHITRADURGA DISTRICT.

**ANNUAL
REPORT
2017-18**

Introduction:

SRI PRIYADARSHINI VIDYA SAMSTHE ® is a non profit registered voluntary organization working since 2002-03 for development of the marginal and rural poor through Social, Education, Environment, Agriculture, Watershed, Livelihood Activities, Women's and Child Development activities in rural areas of Chitradurga. In this financial year involved with some good programs of Panchayat Raj, Watershed development department & Department Social Forestry. In this year our Organization was involved with NABARD in Save Water Campaign and Enterprenurs Awareness Program to SHGs under PMKSY-WD Agriculture Department. This year was fruitfull intited and as a Secretary of this Organization like to deliver my vote of thanks to bankers, SHG members, departments and panchayat representatives for considering us for their services.

NABARD “Jal Jeevan Hai”- WATER CAMPAIGN – EMPHASIS ON WATER CONSERVATION, HARVESTING AND WATER USE EFFICIENCY

Severe drought conditions is prevailing in the State (*136 talukas in 26 district declared drought affected during 2015-16*). Crop failures and Scarcity of water for drinking and irrigation. Centre and State Govts emphasize on Water conservation movement. **Water is finite and to be treated like Nature's Gift**. To supplement Government efforts NABARD had launching Nation wide campaign on water conservation, harvesting and water use efficiency before on-set of monsoon.

To create peoples' movement in water resources conservation, utilization, and management using efficient, cost effective and proven technology through participatory approach. To cover maximum villages under the campaign during the current monsoon and expand to all villages in an on-going manner NABARD to partner with all Stakeholders to convey the message with tangible results. A Voluntary intiation our organization has invovled in this campaign and as Jaldhoot Visited around 60 Villages across Chitradurga Taluk.
