ANTI DOWRY AWARENESS PROGRAMME:

Our NGO has conducted an Anti Dowry Awareness Programme and its Bad effects in the future. We have given coaching door to door speeches About the said bad evil spread in the society of human beings. The seminars Were conducted with the help of knowledge, social workers and women organization. We got a good response from the public and as such as could conduct awareness class for the benefits of urban and rural peoples. The seminar was fixed quarterly in different places of Bellary slum area. During this year we have managed to help two beneficiaries and got them married without dowry. Our main motto is to fight with dowry system and it is to be removed from the country Our field staff along with experienced social workers and other voluntarily organization is coming forward to work to eradicate this bad evil. However we could success to certain extent to control the dowry system.

HEALTH AWARENESS:

HIV/AIDS/ R.C.H. Programme/ R.T.I./ S.T.I Camps

Awareness and workshop on HIV/AIDS have been conducted to educate the youth on the means of HIV and AIDS special attention has been given on the school/colleges going youth people of BPL families professional drives and rickshaw pullers who are easy preys to these dreadful disease. In a special drive under this activity our team have visited the areas identified as a residents

2. **R.C.H. Programme:** Keeping in view of rural women's our organization conducted pregnant women's meet in this meet resource persons explained about timely advises. Immunization and supportive services which are freely available in local sub-centres including P.H.C.'s.
3. **R.T.I./ S.T.I Camps :** In the interest of rural women's health especially attention to cynic cases, including R.T.I/ S.T.I and CERVIS cancer detections were made. In this camps 124 women's tested and curative suggestions given by doctors.

Awareness on child Labour, child Right & Importance of Education:

Lot of people belongs to the villages started to urban. In the spit of joining their children to education institution, themselves make their children to engage in bar & restaurant, bricks industries and making their children out of school. Organization immediately taken this issue seriously and started to alternative something for the children like grading flooring water.

YOUTHS DEVELOPMENT PROGRAMME:

During the year, the organization has trained 200 youths belonging to SC/ST/OBC candidates of the district under special component programme in technical skills to equip them with employment and income generation. And they were provided with the tools kit for starting their own enterprises and to earn & maintain their live hood conveniently and to reduce the employment problem and for the development of the youths.

Environmental Awareness:

As you know now days the global warming is increasing significantly, in order to control and avoid this warming organization felt that there is need of awareness on environment in villagers. Connection organization organized two days awareness programme for the rural communities near about 1230 people were dignified from this programme, impact of this programme 567 people started growing kitchen garden in empty placed behind their houses .

Conclusion from 2017-18:

The year 2017-2018 gave us a different experience compared to the previous years. The organization is continuing its efforts for the improvement of disadvantaged and forgotten communities. It was a good year as far our achievement is the concerned. We have utilized the available funds to the maximum to implement quality programmes in the field. While the community is moving forward in right direction, we could identify different needs in the development of livelihood where the organizations inputs would be most needed in future. With the support of our donors, stake holders and well wishers our mission to serve more and people would becomes a reality.

Acknowledgment:

The managing Committee thank the government of Karnataka, particularly the handlooms & textiles Department, district industries centre, health Department & PRI, Town Municipal for their continued support in carrying out the actives of the Association.
