ANNUAL REPORT FOR 2022 - 2023

INTRODUCTION

TWINKLS TRUST is a development organization working for the empowerment of the women and children in Kanyakumari District since 2009. It was registered under Indian Trust Act with the registration number 133/2009. Our commitment is on Integrated Rural Development and or activities covers the fields of Social welfare, Health, Social Employment Generation Program.

Our main aim is to motivate the rural people and make them to develop their income by self employment. We are conducting various courses on Entrepreneur Development, Skill Training for Rural and Urban SHG groups, educated and uneducated youths, and Educational awareness camps for Rural and Urban students.

TWINKLS TRUST believes in providing support for those who need it to the great measures and make efforts, reap profits, People and also to empower the weaker sections if the society of our organization comes forward to do the best to redeem the dignity of people in the society. The important fact in this regard, is the economic status which improved by sharing the most effective way and this would happen by developing skills, attitude and widened knowledge.

Self Help Group Formation and Maintenance

There are 120 women self help groups are formed at Palliyadi, Mekkamandam, Karungal, Saravilai and other nearby villages at Kanyakumari District. Self Help Group members were given training on financial management, minute books writing and account system and how to collect loan amount from the members without trouble and how to approach department officers. And also, the training was given to the members about tailoring training program, fashion designing and cell phone service. And kitchen garden maintenance and how to use to soil as productivity through organic farming. In the Self Help Group meeting members get together at Palliyadi and Thiruvethancode and discussed about future development.

Educational Awareness Programme.

Educational Awareness Program was conducted Government and Non Government Schools in Karungal Taluk for the year 2022-2023. The students were covered in this program. Totally 21 Schools had been benefited by this program. Educational aid was given to the students.

General Awareness Programme

Autism Child Awareness Program was conducted on 23.12.2022 to the poor people. There is the need for the rural people to get knowledge on this regard. Mr.C.Barnabas, Managing Trustee arranged for the awareness programme and it was conducted at Mekkapandamam, Thiruvithancode and Mardukurichi of Kanyakumari District. Dr.Rajaram was participated in this programs. Nearly 22 Autism child in above villages were benefited.

Conclusion
