Our Organization organized public campaigns on road safety through Posters, pamphlets and brochures. The Organization conducted Cultural programs on Road safety through Nukkad natak, puppet shows, Street theatre etc.,

✚ **WOMEN & CHILD WELFARE PROGRAMME:**

Women educated is a family educated and educated women is equal to five men graduates and is the principle of the institution called her own family. There are number of ways to illustrate this. But the organisation understands the significance of educating women and also the importance of right to education. At the same time they are also educated in leadership activities and about the legal rights. It has been engaged in educating. Women and thrift and savings and helping there in getting loans from the banks and savings. They were benefited in 200 women groups of SC, STs.

✚ **ADULT EDUCATION PROGRAMMES:**

Irrespective of Caste & Creed our organization is in desire of introducing educational centers for the students going to government schools for coaching to make them to competed with the students studying in corporate schools. For this we appointed efficient teachers on payment from our organization to provide good coaching in all subjects. As we aimed to develop the educational awareness among the parents, we established 10 Coaching centres in ten villages in Nagalapuram of Chittoor Dist., 300 students are getting benefit through this centres.

✚ **ENVIRONMENTAL AWARENESS:**

The environment is being polluted by over accumulation of the plastic waste material which causes effect to the soil and environment. The plastic is an inorganic substance takes 200 years for degradation. Hence the society conducted the camps in and round the Nagalapuram Rural mandal on plastic use and plastic waste management. Four camps were conducted on Bio Diversity with the help of A.P. Pollution Control Board and Municipal administration.
