**Vision:** A society free from communicable diseases and communities that promote rights of women and children.

**Mission:** Render human service to people belonging to economically and socially disadvantaged communities irrespective of caste, creed and language.

**Objectives:**

- Decrease the number of people suffering from leprosy, Tuberculosis, HIV/AIDS and other communicable diseases
- Capacitate women and children to enjoy their rights in communities they live in

**Project Area:** The activities of SSN are spread over Four Taluks in Bangalore Rural District, and in 32 slums of Bangalore Urban District, Karnataka, India.

**Key Activities of SSN:**

- ✚ Leprosy Relief
- ✚ HIV/AIDS Prevention
- ✚ Tuberculosis Control
- ✚ Women's Empowerment
- ✚ Child Labour Elimination
- ✚ Education for School dropouts
- ✚ Missing Child Bureau Management
- ✚ Sishupalana Kendra (Creche)
- ✚ Vocational Training for School Dropout youths
- ✚ Homeless Survey

**Leprosy Relief:** Leprosy relief work is being carried out as per the guidelines of the National Leprosy Eradication program of the Government of India. Accordingly, Survey (Door to Door), Education and Treatment (S.E.T), strategy is being carried out through mobile clinics in the communities and schools, by screening and providing appropriate treatment to the already affected persons and also to those persons identified with symptoms of Leprosy. The organization has so far surveyed 81 villages with a population of 72,000 in the target area and detected 365 cases of leprosy. All of them treated and completely cured out of these 35 deformities patients are rehabilitated. SSN organizes small camps periodically for people affected by Hansen's disease (leprosy) and other maladies. The is actively supported by the Franciscan Service Society, (Sevasadan) Bangalore, and also gets support and blessings from many well wishers, Government departments, Non Governmental organizations and people from different religious denominations.

*Receiving award for 25 years of*

*Receiving Best Social Worker Award*

**HIV/AIDS Prevention:** As HIV infection was fast spreading in the State, Sandeep Seva Nilayam's interventions are aimed at controlling the spread of HIV infection, and reducing its impact on families. Towards this, SSN provides counseling, Home Placement, Institutional Placement, Advocacy, Awareness & Orientation.

### **Tuberculosis Control:**

As Tuberculosis was recognized as a major public health problem in Karnataka and recognizing the immensity of the burden of the disease and the number of deaths caused by Tuberculosis, the organization has taken up the entire Nelamangala Taluk of Bangalore rural district to conduct prevention and awareness program in all villages, under the Revised National T.B Control program (RNTCP).

### **Women's Empowerment:** Since the year 1999, SSN has been active in the formation of Women's Self Help Groups (SHGs) to

facilitate women to take up Income - Generating program. Under this program, SSN periodically organizes trainings for women in Book keeping, Capacity building, Entrepreneurship development, Para legal aid, Home industry development, tailoring and embroidery for women, and arrange loans through Govt. Subsidies schemes banks and financial institutions. Our Project area is spread over Four Taluks in Bangalore Rural District. And 32 slums of Bangalore Urban District covering 5895 members belonging to 490 SHGs. SSN conducts various trainings to improve women's health and to empower them to deal with minor ailments on their own. As a result, over the past few years several women have taken to production-oriented activities in a wide range of areas. Since 2007 SSN is working as Facilitator NGO in four taluks of Bangalore Rural District Zilla Panchayath under the Ministry of Rural Development and Panchayat Raj Govt. of India

**Education for School dropouts:** This program operated by SSN supports early school dropouts and street children with educational materials to encourage them to continue and ensure their right to education. Under the same program, SSN organizes tuition classes for backward students especially those who have discontinued their studies in the school. As a result, the children in our tuition centers improved their academic performance and many of them are presently busy in preparing for their school exams.

*The Founder Mrs. Lilly Samuel receiving the Best NGO (Kitturu Rani Chennamma) Award from the Honorable Chief Minister of Karnataka for*

**Child Labor Elimination:** Under this program, SSN runs a Special Residential School for 50 child labors since 2003. The project area is supported by the Ministry Labour & Govt. of India and Govt. of Karnataka.

*The Founder & Secretary receiving the best NGO award for Child Labor from the Honorable Chief Minister Shri Siddaramaiah Govt of Karnataka*

**Missing Child Bureau Management:** As the number of missing children is increasing at an alarming pace in Bangalore Rural District, SSN started working in collaboration with BOSCO, Bangalore in operating the Bangalore Rural district Cell of the Missing Child Search since 3<sup>rd</sup> September 2009. This project area is initiated and technically supported by the Government of Karnataka, Dept. of Women and Child Development.
