Annual Report

THEENDRAL MOVEMENT

Reg. No.215/Bk4/2006

EXECUTIVE DIRECTOR'S NOTE

The year 2022 is the Special Annum of new ventures and dreams in our service journey. I gladly share my joy with you all in view of celebrating a year in many ways of our collaboration in the societal changes with many good willing people in Ranipet. My vision is "Violence free Village in Ranipet district" - which moves ahead to fight for the victims of social evils.

Every year, our Board members prepare a strategic plan to ensure that we address new problems and provide sustainable solutions to people in our project area. Meanwhile, Thendral also continue providing service for developing children, empowering women, enhancing folk cultural activities, training youth, collaborating programmes, and counselling the victims of domestic violence by reaching out the needy women in despair.

In collaboration with the Government, welfare activities are regularly monitored by our team. It is to firmly ensure the positive impact we make on every most vulnerable woman. We deeply regard the joint efforts of every individual: volunteers, well-wishers, and stakeholders in taking the efforts of Thendral to the vulnerable ones in society. As we progress in our journey, we also ensure to keep our legal status with the Govt. and IT department updated.

Thendral Movement is marching forward amidst all the odds after updating my core collaborators and co-workers. At this juncture, I extend my gratitude to the former board members for their relentless service and commitment for our dream cause. I thank them for their continuous support. I extend warm welcome to the new board members for your genuine involvement with Thendral Movement. My best of everything is owed to you my core collaborators and co-workers. We have been realizing the 'Violence free Society for the Women, Children and vulnerable people' become a reality day-by-day. We would keep doing our work until there are no victims of any sort in our society.

I also take this opportunity to express my sincere thanks to all the donors, supporters and volunteers for understanding our gaps, withstanding our shortcomings, and encouraging us to move forward with your constant support. We earnestly look forward to reach more deserving lives in the coming years.

Warm regards,

Dr. P. Vedhanayagi

Thendral Movement

Rescue and rehabilitation of victims of domestic violence, bonded labour and child labour, education of children and skill development of youth and women, empowerment through rights, counseling, health care and leadership training

About us

THENDRAL Movement was found by Ms. VEDHANAYAGI in 2006. It is based in Ranipet District, Tamilnadu. THENDRAL is a Tamil word meaning “BREEZE” and THENDRAL is the abbreviated form of “The Holistic Eagerly Nature Development Related Alternative Life”. The purpose is to serve humanity through the concept of Back to Nature.

On a road to globalization with rapid changes in the technological growth, people are alienated from balanced social life. Despite the growth in technological aspects, many social evils still persist and unaddressed. In this scenario, service to the humanity has acquired a new relevance. It demands equipped people to meet the challenges of life so that it will help them contribute their share in healing some of the social imbalances. THENDRAL's sole purpose is to uplift victims from their miserable conditions caused by social imbalances. Our programmes and activities are for the welfare, advancement, and empowerment of the needy, poor, deprived and the socially disadvantaged sections in community irrespective of their caste, creed, sex, and status in the perspective of women to establish a violence-free social order.

Vision

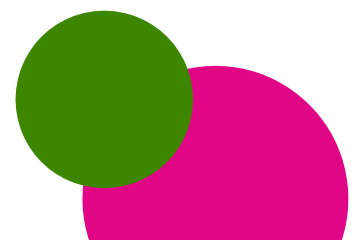

Harmony in Life.

Mission

Confirming the social security of every individual through their contribution and participation in the competing social, economical, ecological, political and psychological divisions through the range of community-based, action-oriented, and people-centered programmes.

many like-minded organizations and individuals supported both financially and materially for the noble cause of feeding and providing the Raw Ration to the poor, widows, migrant workers, and destitute women. Thendral Movement has already been working for the empowerment of women in Five slums viz., (Karai, Mercku Cotton Bazaar, Railway station Colony, Srinivasanpet, Padma Colony). So we have identified 101 families headed by single women & widows and supplied them basic food materials like food raw ration materials like, *Rice, Dhall, Masala, Edible oil, Biscuits and Rava*. 14.10.2021 we distributed the food materials to the needy women. Our Founder Dr. P. Vedhanayagi and Rev. Joy Devakani from Germany had been with us in this event. Psych-Socio Counselling was provided to 331 families who lost their breadwinner. The donor & beneficiary meet doubled the joy of the beneficiaries because of her meaningful gesture and comforting words. Our women staff and Aathithai Women Livelihood Movement – the women wing of Thendral Organization were actively involved in this relief task which made our reach outs much effective.
