

No. CLRA/22/11

Date: 19<sup>th</sup> July 2022

## Completion Certificate

This is to certify that Thendral Movement has successfully collected data from 31 households engaged in leather goods manufacture in Ambur taluka of Vellore district in TN. The survey collection was part of a study sponsored by Council for Leather Exports, Chennai to assess incidence of child labour in leather manufacturing in India. We recommend the organisation for undertaking data collection on a sensitive issue in a professional manner.

A handwritten signature in blue ink, appearing to read 'S. K. Katiyar', is written over the printed name.
