STRATEGY PLAN
2022-25
This document presents the three-year strategic plan for Vanavil. It has been created by the Vanavil Board, Advisory Committee and expert volunteers following the training and discussions we’ve had during our Niranthara Organisation development training with Dhwani Foundation.

We’ve looked at our past and have looked into the many paths that unfold in front of us at this point. We’ve consulted important people from Academia, Donors, Peer organisations, government and our own community members and our young graduates. We’ve looked at strengthening the organisation and building a stable fundraising program.

The new strategic plan is an ambitious step ahead for Vanavil strengthening and consolidating its work in the education domain and going forward in the protection, Health and Nutrition, Livelihoods and Advocacy domains with much more clarity and concrete steps.

Apart from our staff and our community people we consulted the following persons and took in their inputs on Vanavil’s work, the present situation in our domain and possible focus areas for us in the future.

We would like to place our immense gratitude to all of them and our dear community members and Staff.

Vanavil Trust was formed in May 2005 in order that every nomadic child lives and gets an opportunity at education. Started as a bridge school and anti-begging organisation, Vanavil, in these sixteen years has grown into an organisation that works with Nomadic communities through Education, Livelihoods and Health & Nutrition. We run an Alternative School, Children’s Home, Afterschool program in three districts, Higher Education Scholarship for Nomadic Students and a Livelihood program for Nomadic Women. We work to curb Child begging, Child marriages and child labour amongst the Nomadic Communities.

Our guiding principles have been inclusion, a strong belief that education can be a happy holistic solution and that marginalised communities can be empowered through participatory methods.

**VISION**

The Nomadic Tribes attain Equality, Identity and Dignity

**Inclusiveness:** We respect people, value diversity and are committed to equality.
KEY MILESTONES

Vanavil has been working with the children and women from the two nomadic tribal communities – Boom Boom Maatukarars and Narikuravars for 16 years now. Below are the key milestones that we achieved over the years.

- **2005**
  - Lakshmi a nomadic infant dies due to malnutrition. Determined to give others in the community an opportunity at childhood, Vanavil started as a bridge school with 36 children involved in begging.

- **2006**
  - Vanavil School became a hub for 75 nomadic children pulled out of child begging. Nutritional support and creative pedagogy made us a Happy school.

- **2007**
  - Signed MoU with Wipro Cares Trust to build a green child-friendly campus for the School and Hostel and we moved into that in 2009.

- **2008**
  - Awareness campaigns on Child begging, Child labour and Child marriages were intensified in the Nomadic Villages and we brought down these practices by 60 percent.

- **2009**
  - Art camps and Proper theatrical productions were conducted and our children’s troupe travelled to theatre festivals in other cities and held Art shows increasing their school attendance and academic performance.

- **2010**
  - Lobbied for Community certificates and met ministers and Higher officials of the Tribal welfare department.

- **2013**
  - Lakshmi our student becomes the first Boom Boom maatukarar girl to reach College.

- **2015**
  - Started working with the Nomadic communities outside Nagapattinam town. We reach out to 700 children from 11 Nomadic settlements now through our afterschool program.

- **2019**
  - Vanavil takes 41 Students into higher education from Nomadic communities. Received Awards from Aid India, Scoonews and Mega TV for exemplary service.

- **2020**
  - At the peak of the pandemic we started a livelihoods program to build alternate livelihoods and to impart skill training to Nomadic women. 380 women became skilled micro entrepreneurs.

- **2021**
  - Received District Collector’s special award for exemplary service to the district in fighting the Covid pandemic. Received Super Daughter Award by Femina magazine for Working to educate Nomadic children.
