Hon'ble Members, Our Executive Committee takes pleasure in presenting
Annual Report for the year ending 31st March 2019 along with Audited Annual
Accounts for the year ended on that date. During the year under review, the
achievements following are our .

ACTIVITIES & PROGRAMMES

PLANTATION PROGRAMME

The organisation conducted the programme in Balrampur District of Uttar Pradesh State. To stop illegal plant cutting and balancing environment our society started environment awareness programme. Under plantation programme our society working trees re-plantation for minimize bad effect due to pollution. Our society also focused and working for to control sound pollution and water pollution. Our society tried to give message in the people for planting in their birthday ceremony to celebrate. Our organization successfully planted trees of various varieties such as Amrapali, Maldah, Bombay, Kalkatia, in fruits and Neem, Jammun, Banana, litchi, Kathal and other more varieties of public utility trees.

WOMEN EMPOWERMENT PROGRAMME

The organisation conducted the programme in Balrampur District of Uttar Pradesh State. Economic empowerment is a sine qua non for elevating the status of women in our society. One possible approach towards achieving this end could be through entrepreneurship development. Through entrepreneurship development a women will not only generate income for herself but also generate employment for other women in the locality. This will have a multiplier effect in the generation of income and poverty alleviation. According to society many causes of poverty in India and which main causes are poor status of women, less job opportunity & low productivity and low income are make vicious circle of poverty.

RURAL DEVELOPMENT PROGRAMME

The organisation conducted the programme in Balrampur District UttarPradesh State. In the present situation, we have been able to create everybody in rural areas but so far as their services delivery is concerned, majority of them are not up to the mark. There is a need to revitalize and strengthen the already existing bodies in rural areas rather than putting a thrust on creating more and more institutions. Every rural development programme should be carried out with the association and involvement of the community people.

BLOOD DONATION PROGRAMME

The organisation conducted the programme in Balrampur District of Bihar State. Blood donations in India are conducted by several organizations and hospitals by organizing blood donation camps. Donors can also visit blood banks in hospitals to donate blood or directly to a receiver. Despite shortage of donated blood, efforts by the government and various organizations have led to a decrease in the demand and supply gap over the years. The number of voluntary blood donors increased from 54.4% in 2006–2007 to 83.1% in 2011–2012, with the number of blood units increasing from 4.4 million units in 2006–2007 to 9.3 million units in 2012–2013. In 2016, the Ministry of Health and Family Welfare reported a donation of 10.9 million units against a requirement of 12 million units. Blood donors in India donate around 350 millilitres of blood. After a donation, the donors are provided with refreshments, which usually include a glucose drink, biscuits and fruits. Some organizations offer transportation facilities, apart from providing certificates or badges as a gratitude.

HIV/AIDS AWARENESS PROGRAMME

The organisation conducted the programme in Balrampur District of UttarPradesh State. India is sitting on an HIV/AIDS “time-bomb” . This is the warning from the head of an international survey agency. “The HIV/AIDS deadly disease in India is extremely grave. It is ticking time bomb. The epidemic is rising rapidly and could soon get out of control, unless the response was scaled up massively.” In Bihar, for instance, no one knows how many persons are affected. OUR Organisation accepted the need participating of community and social workers for minimize this problem. Without participating and involvement of the corporate sector, the NGOs and community-based organizations the Government would not be able to tackle the problem all by itself and more effectively in anti-AIDS programmes. Our organisation practices to awareness people about HIV/AIDS through print & tele media and own health care center, but not proper success to attain. Under the Action Plan the following areas will be covered.

HIV/AIDS
Awareness

AIDS- The Invisible Inferno

- The Human Immunodeficiency Virus
- The Clinical Features
- Pediatric AIDS
- Pathology of AIDS
- Spectrum of Infections

- *Cancers- The Added Agony*
- *AIDS-Related Complex (ARC)- An Early Clue*
- *Diagnostic Approach*
- *Treatment*

CULTURAL PROGRAMME

The organisation conducted the programme in Balrampur District of UttarPradesh State. To preserve our rich cultural heritage and traditions we organized dance, folk-song, drama etc. in which young and children participated in good number. Participants were also awarded for their presentation. In this programme our through the society attained renowned theatre actors.

ROAD SAFETY PROGRAMME

The organization conducted the road safety programme in Balrampur District of UttarPradesh State. The road safety programme started for the safety driving and follow the traffic rules on the road. Road safety programme is beneficial for the public for safe driving. The organisation conducted the programme in Patna District of Bihar State. Day by day increasing accidental cases on the road it is big problems of the Govt., Society & People at a glance we can give answers in simple word reason is increasing due to rush of the traffic on the road. But according to society it is not facts of the cases of accidents. Many people don't know the rules of traffic. Some people are only maintaining rules of traffic some are who they know rules of traffic but not maintain on the road. We have organized seminar and awareness camps on the above topic for the aware and teach the traffic rules.

HEALTH AWARENESS PROGRAMME

The organisation conducted the programme in Balrampur District of UttarPradesh State. Among the methods adopted, female sterilization predominates as 21.4 percent of the eligible women had unmet need is for spacing birth and the remains for limiting the children. A majority of the male respondents indicated progresses for female method. They did not prefer the male methods mainly because of the fear of weakness due to the was of male method, fear of method failure and fear of operation It was decided to prepare a wide AIDS scheme for the coverage of family planning Programme by the society. Local doctors and Para-medical workers have extended their useful co-operation in diffusion of the requisite knowledge about family planes methods to the eligible couples with intrusive comparing in the district.

WOMEN & CHILD WELFARE PROGRAMME

The organisation conducted the programme in Balrampur District of UttarPradesh State. With support of UNICEF Gopalganj, SOCIETY started programme for women and children rights. In this programme our society organize meeting and seminars to intervene and give knowledge about women and children rights given by law. In this intervention & training programme about 50 youths benefited and trained organized by our society. Under this second stage meeting and seminars trained youths were teach uneducated women about law & rights.

SOCIETY under this programme also teaches law & rights of child, specially focused on the topic of child labour. It was observed that in polio-vaccination day, Hepatitis-B etc. There was mass gathering on the day. As the people of rural area, have poor knowledge of legal rights and solution, the people should be attracted and according Legal-cum-Health Mela is being proposed to organise.

DRUG-ABUSE PREVENTION

The organisation conducted the programme in Balrampur District of UttarPradesh State. Drug abuse prevention begins with education, spreading the word regarding the dangers of drugs to oneself and to the community. These programs are just the beginning. The information provided is most effective when it is followed up with continued support. Drug prevention programs seek to involve the family, community or workplace in the prevention process. To be effective, communities need to sustain the progress. This often requires continued leadership and financial support.

FARMER TRAINING PROGRAMME

The organisation conducted the programme in Balrampur District of UttarPradesh State. Farmers' training is provided at the local level, vocational agricultural schools and field demonstrations. These training classes may be conducted on specific topics like the use of urea or vast topics like packages of practice. The new information that farmers gain through these training sessions makes their daily farming activities much easier. It also leads to an increase in productivity and bigger profits in the long run.

Other Activities
